

EPHPHATHA

Father I want to walk with You, live for You
Taking Your kingdom where ever I go
I know You are with me and I'm not alone

*For You gave us Your Spirit
And I don't want to limit
What You do with my life
Jesus my inspiration
I desire to be open
Ephphatha, Ephphatha*

Love, joy, peace, patience, faithfulness, gentleness
Goodness, kindness and full self control
Fill me with Your Spirit, these fruits from my soul
